

3EC International a.s., Hraničná 18, 821 05 Bratislava, Slovakia

Notified Body No. 2265

EC CERTIFICATE

No. 2020-MDD/QS-107

issued in compliance with the Council Directive 93/42/EEC as amended,

certifies that the medical device of Class IIa,

Sterile Hypodermic Syringe for Single Use

Type: Hypodermic Syringe, Safety Syringe and Insulin Syringe

(for detailed list refer to Annex)

manufactured by company

International Company for Medical Necessities (1.CO)

Site 1: 3d Industrial Zone Block No. 19&67, Abu-Tig, Assiut, Egypt

Site 2: Public Free Zone - Ismailia, Egypt

is manufactured under conditions fulfilling the quality system requirements of Annex V, of the Directive 93/42/EEC as amended.

The Notified Body No. 2265 has performed an audit of the above device quality system. The production quality assurance has been assessed and found that it meets the requirements above. The quality system is subject to continuous surveillance according to Annex V, Sections 3.3, and 4, of the Directive 93/42/EEC as amended. The detailed description of the system, requirements and measures applied by the manufacturer are presented in the Audit Report No. ICT 61 and the Final protocol No. 310483/2020.

This certificate is issued under the following conditions.

It applies only to the quality system maintained in the manufacture of the above referenced model of medical device and it does not substitute the design or type-examination procedures, if requested. The certificate remains valid until the manufacturing conditions or the quality system are changed but until May 26h 2024 at the latest. The certificate validity is conditional upon positive results of regular surveillance audits and fulfillment of relevant legal and other requirements by manufacturer.
